The Mare Island Historic Park Foundation keeps alive the history of Mare Island Naval Shipyard and chronicles its shipbuilding activities in the museum, as well as preserving the most historic buildings – St. Peter’s Chapel, the Shipyard Commander’s Mansion and Building 46, the oldest building on the island dating from 1855. The shipyard founded in 1854 by Commander David G. Farragut, first admiral in the USN, was the first naval installation on the West Coast and was an important contributor to success in World War II in the Pacific. It also played a prominent role in the Cold War by building 17 nuclear submarines. We invite **YOU** to become a part of this endeavor by partnering with the Mare Island Historic Park Foundation and supporting its work.
